

PRIVATE ACTS, 1999

CHAPTER NO. 49

HOUSE BILL NO. 1984

By Representative Hargrove

Substituted for: Senate Bill No. 1987

By Senator Burks

AN ACT to establish the Cookeville Regional Medical Center Authority and to amend Chapter 223 of the Private Acts of 1961; as subsequently amended by various private acts, including Chapter 61 of the Private Acts of 1995; Chapter 209 of the Private Acts of 1996 and Chapter 14 of the Private Acts of 1997; and any other acts amendatory thereto, relative to the Cookeville Regional Medical Center.

WHEREAS, Cookeville Regional Medical Center was established as part of the Charter of the City of Cookeville pursuant to Chapter 223 of the Private Acts of 1961, as subsequently amended by various private acts, including Chapter 61 of the Private Acts of 1995, Chapter 209 of the Private Acts of 1996, and Chapter 14 of the Private Acts of 1997; and

WHEREAS, Chapter 223 of the Private Acts of 1961, as subsequently amended, established a Board of Trustees for Cookeville Regional Medical Center, the powers and duties for such Board of Trustees, terms of offices and elections of successors for such Board of Trustees, and other powers relative to the operation of Cookeville Regional Hospital and related facilities; and

WHEREAS, significant changes in the delivery of health care have occurred since the establishment of Cookeville Regional Medical Center and its Board of Trustees; and

WHEREAS, the organization of the Board of Trustees of Cookeville Regional Medical Center as part of the Cookeville City Charter creates constraints on the authority and operations of such Board of Trustees so as to preclude it from responding to the changes in the delivery of health care; and

WHEREAS, the General Assembly finds that the operations of Cookeville Regional Medical Center and related facilities will be enhanced if its Board of Trustees is reconstituted as a private act hospital authority as that term is used in 1996 Tenn. Pub. Acts, Ch. 778, the Private Act Hospital Authority Act of 1996; and

WHEREAS, the purpose of this act is to reconstitute the Board of Trustees of Cookeville Regional Medical Center as the Board of Trustees of the Cookeville Regional Medical Center Authority, such to have the powers granted to private act hospital authorities under the Private Act Hospital Authority Act of 1996; now, therefore,

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

PRIVATE ACTS, 1999
Chapter No. 49

SECTION 1. There is hereby created the Cookeville Regional Medical Center Authority established for the purpose of operating Cookeville Regional Hospital and all other hospital, clinical and health care facilities related thereto.

SECTION 2. Cookeville Regional Medical Center Authority is a private act hospital authority as that term is used in 1996 Tenn. Pub. Acts, Ch. 778, the Private Act Hospital Authority Act of 1996. All hospital, clinical and health care facilities operated and controlled by the Board of Trustees of Cookeville Regional Medical Center, as set forth in the City Charter of Cookeville as of the effective date of this act, shall hereinafter be operated and controlled by the Board of Trustees of Cookeville Regional Medical Center Authority. The Cookeville Regional Medical Center Authority shall have the right to use the name of Cookeville Regional Medical Center, Cookeville Regional Hospital and any other names adopted by its Board of Trustees.

SECTION 3. The terms of the additional Board of Trustees of Cookeville Regional Medical Center Authority shall continue until the respective dates of expiration that would have been applicable under the Charter of the City of Cookeville in the absence of this Act. Thereafter, the election and terms of offices shall be as set forth herein.

SECTION 4. Subject to sections 5 and 11, and other provisions relative to removal from office, the term of office for members of the Board of Trustees shall be for seven (7) years, and no member shall serve more than one (1) full term without a three (3) year break. One (1) trustee of said board shall be a physician who is a member of the hospital medical staff who will serve a seven (7) year term, one (1) trustee shall be the person holding the office of Mayor of the City of Cookeville, Tennessee, who shall serve during his/her term of office, and one (1) trustee shall be the person holding the position of Chief of Staff of Cookeville Regional Medical Center, who shall serve during his/her term of office. SECTION 5. Annually the Cookeville City Council shall elect for a seven (7) year term, in the manner hereinafter provided, a successor to that member of the Board of Trustees whose term shall have expired. No action on the part of the Cookeville City Council need be taken to replace or name a successor to the board upon a change in the office of mayor or chief of staff, for the new mayor and chief of staff shall automatically become an exofficio member of said Board of Trustees. Members of said board, except members of the medical staff of Cookeville Regional Medical Center, shall be residents of the City of Cookeville. A trustee whose term has expired shall continue to serve until his or her successor shall have been elected in the manner herein provided. In the event of death or resignation of a trustee prior to the expiration of his or her term, his or her successor shall be elected for the unexpired term in the same manner as the deceased or retiring trustee was elected, and shall take office upon election. Such successor trustee shall be eligible for re-election for a full term. Any member of the Board of Trustees can be removed from the board by a unanimous vote of the other members of the Board of Trustees.

PRIVATE ACTS, 1999
Chapter No. 49

SECTION 10. The Board of Trustees shall act as an advisory board to the City of Cookeville concerning extensions and enlargements of hospital, clinical and health care facility buildings or improvement of facilities requiring alterations to such buildings, and shall recommend to the Cookeville City Council such extensions, alterations or enlargements of buildings, or additional buildings as from time to time may be necessary for the purpose of providing adequate and reasonable health care services to the areas served by said facilities.
